# ADVISORY COMMITTEE on BREAST CANCER in YOUNG WOMEN

JANUARY 31–FEBRUARY 1, 2011 • ATLANTA, GA

## Agenda

### MEETING OBJECTIVES:

Committee members are charged with advising the Secretary of the Department of Health and Human Services (HHS) and the Director of the Centers for Disease Control and Prevention (CDC) regarding the formative research, development, implementation, and evaluation of evidence-based activities designed to prevent breast cancer (particularly among those at heightened risk). They are also charged with promoting the early detection and support of young women who develop the disease.
