Programs That Offer Screening Services

You may be eligible for free or low-cost screenings if you meet these qualifications—

- You are between 50 and 64 years of age.
- You are at average risk for colorectal cancer.
- You have no insurance, or your insurance does not cover screening exams.
- Your yearly income is at or below 250% of the federal poverty level.

The following six programs provide colorectal cancer screening services to eligible men and women as [recommended](#) by the U.S. Preventive Services Task Force—

[Delaware Department of Health and Social Services](#)

Division of Public Health

[Screening for Life Program](#)

540 S. DuPont Highway, Suite 11
