

*My Secret to
a Longer Life?*

Mammograms

It's not a secret. No-cost mammograms* are available at professional, medical facilities for every woman age 40-64. It's your life. Make it a long one.

Call 1-800-4-CANCER to schedule your mammogram today.

If you are a woman aged 40-49, speak with your healthcare provider about getting a mammogram. If you are a woman over 50 years of age, get a mammogram every 2 years.

*Eligibility criteria may apply.
