CANCER IS A FIGHT.
DON’T LET THE FLU KNOCK YOU DOWN.

FIGHT BACK!
GET YOUR FLU SHOT

Take action to protect yourself against the flu, so you can focus on the fight that matters most.

The flu is serious for people who have cancer.
Give flu the one-two punch this season:

1. Get the flu shot—not the nasal spray vaccine.
2. Make sure the people you live with or who care for you get the flu shot too.

A flu shot is your best protection against the flu this season.
