

Zika - 30-second Spot - English

[Announcer] Zika can be scary, but you can take steps to protect yourself, your family and your community from the spread of Zika virus.

**COVER and REPEL, REMOVE COLLECTED WATER, KEEP MOSQUITOES OUT OF YOUR HOME,
and if you're Pregnant and have Sex, USE CONDOMS**

ALL of these actions are necessary. Repeated as recommended, these steps will help protect yourself, your family and your community from getting Zika.
