

Cholera kit, 001, 625 treatm., compl.

kit, cholera, 001, 625 treatments, complete (LOG. + MED.) 4000 L
MSF (KMEDKCHO1--)

This Cholera kit is especially designed for refugee camps but it is also usable for urban or rural population. It is composed of a medical part with two infusions modules (2000 litres each module) and a logistic part. This kit contains treatments and support materials for approximately 625 patients. To compose 1 complete kit, all modules are needed once, except for the infusions module, which needs to be doubled.
