

Fason moun ki gen maladi kolera itilize pou lave kabann tibebe

Fè yon solisyon ki fò a demi pou dezenfeksyon avèk 0.5% klowòks.

Melanje 9 mezi dlo ak 1 mezi klowòks.

Sere yon mezi solisyon ki fò a demi. W ap bezwen li pou fè solisyon modere.

Itilize solisyon ki fò a demi an pou siye tout pati kabann tibebe a.

Jete solisyon ou itilize nan yon latrin.

Lave men byen ou avèk savon ak dlo trete apre ou fin netwaye kabann tibebe a.

Netwaye anba zong ou lè w ap lave men ou.
