STOP CHOLERA
Do these 5 things to avoid getting sick with cholera

1. Drink and use safe water.
2. Wash your hands often with soap and safe water.
3. Use toilets or latrines.
4. Cook food well, eat it hot, and peel fruits and vegetables.
5. Clean up safely:
   - Clean kitchenware with soap and safe water. Let dry before reuse.
   - Wash clothes away from drinking water sources.
   - Clean and disinfect your toilet or latrine.
