

# CONTACT LENS HEALTH WEEK

## August 21-25, 2017

The Centers for Disease Control and Prevention (CDC) invites you to celebrate Contact Lens Health Week this August!

**Help spread the word about healthy contact lens wear and care.**

Learn more and download free health promotion materials, including:

- Printable posters
- Infographics Buttons and banners for websites
- A library of short messages for use on social media channels
- And much more!

For more information, email: [healthywater@cdc.gov](mailto:healthywater@cdc.gov).
