BRIGHT EYES COMPLETE YOUR LOOK. DON'T OVERLOOK healthy contact lens wear and care.

Poor contact lens wear and care habits can ruin your look with **RED EYES** AND lead to painful infections with lasting damage.

DON'T OVERLOOK THESE RECOMMENDATIONS FOR BRIGHT EYES!

1 REVITALIZE your eyes:

Give your eyes a break.

Don't sleep in your contact lenses.

Clean your contacts properly. Don't top off, or add old solution to new solution to store contact lenses.

Don't wear your contact lenses or use your contact lens cases for longer than recommended.
