I think or know I had COVID-19. When can I be around others? (30 seconds)

If you think or know you had COVID-19, you can be around others:

- After 10 days since symptoms first appeared, and
- After 24 hours with no fever without fever-reducing medication, and
- After other symptoms have improved.

If you have tested positive for COVID-19 and you had no symptoms, you can be around others:

- 10 days after you got tested for COVID-19.
