IMPORTANT STEPS TO CHOOSING A MASK

Make sure your mask fits
- Pick a mask with multiple layers to keep your respiratory droplets in and others’ out.
- Choose a mask with a nose wire to prevent air from leaking out of the top.

For extra protection
- Wear a disposable mask under a cloth mask
- Knot and tuck ear loops of a 3-ply mask
- Use a mask fitter or brace over a disposable or cloth mask

Respirators must form a seal to the face to work properly.
- Follow manufacturer instructions.
- Check for markings on N95, KN95, and other respirators that indicate the product is authentic.
