**PEOPLE EXPERIENCING HOMELESSNESS**

- Stay at least 6 feet, about two arm lengths, away from other people.
  - Avoid hugging and handshakes.

- Cover your mouth and nose with a mask when around other people.
  - Wearing a mask is not a substitute for staying at least 6 feet apart from others.

- Avoid big crowds when you can.
  - Sometimes this won’t be possible.
  - If you need to be in a line or a group of people, try to keep about 6 feet of distance from them.

- Find ways to maintain important connections with friends and family members even while staying physically apart.
