**PEOPLE EXPERIENCING HOMELESSNESS**

Stay at least 6 feet, about two arm lengths, away from other people.

» Avoid hugging and handshakes.

Cover your mouth and nose with a mask when around other people.

» Wearing a mask is not a substitute for staying at least 6 feet apart from others.

Avoid big crowds when you can.

» Sometimes this won’t be possible.

» If you need to be in a line or a group of people, try to keep about 6 feet of distance from them.

Find ways to maintain important connections with friends and family members even while staying physically apart.
