Masks Help Protect Everyone

We ask that all patients, visitors, staff, and others working here wear a mask that covers their mouth and nose while in our facility.

**DO’S**

1. Make sure your mask covers your nose and mouth.
2. Secure elastic strands around your ears.

**DON'T’S**

1. Don't wear your mask below your mouth and under chin.
2. Don't wear your mask too loosely allowing gaps.
3. Don't wear your mask below your nose.

Thank you for wearing a mask for safe healthcare
