The Centers for Disease Control and Prevention is working to help keep you and your community safe from COVID-19. If you recently traveled within the United States or to another country, you may have been exposed to COVID-19.

- Wear a mask when in public;
- Maintain social distance, approximately 6 feet, from others;
- Wash your hands often; and
- Watch your health.

Visit cdc dot gov slash COVID19 to learn how to protect yourself and others from COVID-19.
