GLOBAL HEALTH ALERT: COVID-19

You may have been exposed to COVID-19 while traveling. Watch your health for symptoms. Even with no symptoms, you can spread the virus to others.

PROTECT OTHERS FROM GETTING SICK:

- Keep 6 ft/2 m apart from others.
- Wear a mask.
- Wash your hands often.

Close contact activities put you at risk for exposure to COVID-19.

If you think you may have been exposed while you traveled, take extra care for 14 days after travel:
- Stay home as much as possible.
- Avoid being around people, especially those at higher risk for severe illness from COVID-19.
- Consider getting tested for COVID-19.
