

National Forum on COVID-19 Vaccine: COVID-19 Vaccine Practitioners Video Transcript

Length: 1 minute

Audio description: CDC/ HHS Logo

On-screen text: National Forum on COVID-19

Audio description: Photo montage of a diverse group healthcare professionals in and masks

On-screen text: As health practitioners, you are on the front lines against COVID-19. The pandemic has been long and difficult, but we have made progress. We now have safe and effective vaccines and increasing supply. We must work vigilantly to vaccinate people quickly, safely, and equitably.

Audio description: Photo montage of a diverse practitioners wearing masks and administering vaccine and testing for COVID-19

On-screen text: Join the National COVID-19 Vaccine Forum, where practitioners and champions come together and share information in support of the country's vaccination program.

February 22-24
