

Coronavirus Disease 2019 (COVID-19)

What does social distancing mean?

Transcript with the additional images described at the end of the video

No sound. Silent video.

- Social distancing means putting space between yourself and others.
- Everyone can help slow the spread of COVID-19.
- Additional transcript of the images:
 - Wash your hands
 - Clean and disinfect frequently.
 - If you are sick, stay home.
 - Do not touch your eyes, nose, or mouth.
