

## What to expect at your COVID-19 vaccination appointment

Before making a COVID-19 vaccination appointment, see if the vaccine is recommended for you right now.

Stay at least 6 feet away from others while inside and in lines.

You and your vaccination provider will need to wear masks that cover your nose and mouth.

At your appointment, you should get a vaccination record card and a paper or electronic COVID-19 vaccine fact sheet.

These tools will give you important information about your COVID-19 vaccine, as well as when and where you received it.

Register for v-safe, the after vaccination health checker at [vsafe.cdc.gov](https://vsafe.cdc.gov)

Get free health check-ins and reminders when it's time for your 2nd dose if you need one.
