[ASL: I wear a mask because \(60 secs\)](#)

I wear a mask because. . .

I wear a mask because I care about the health and well-being of those around me.

I wear a mask because I might not know that I'm sick.

Yo uso una máscara para mi familia y la comunidad. (English translation: "I wear a mask for my family and my community.")

I wear a mask because I want to keep others safe.

I wear a mask I want to protect everybody.

I wear a mask because too many people who look like me are getting sick and dying from COVID-19.

I've grown fond of seeing people smile with their eyes. It's a beautiful experience in these times.

Do it for their futures.

Even if you don't have to, I hope you choose to.

I wear a mask because I really want to get a haircut soon.
