

## Coronavirus Disease 2019 (COVID-19)

### What's Your Why

No sound. Silent video.

### Transcript

Everyone has a reason for getting vaccinated against COVID-19.

I got vaccinated to protect my patients.

I got vaccinated so I can safely travel with friends again.

I got vaccinated so I can go to concerts again.

We got vaccinated so we can protect our baby nephew.

I got vaccinated to protect myself from getting very sick with COVID-19.

I got vaccinated to protect my friends who can't get vaccinated.

We got vaccinated so we can safely return to school.

I got vaccinated to protect my community.

I got vaccinated because too many people who look like me are getting sick with COVID-19.

What's your why? Get your COVID-19 as soon as you can.
