

Public Access Defibrillation (PAD) Interventions Addressed in State Law, in Effect June 2017

The following table shows PAD policy interventions addressed in state law and their associated evidence ratings. Find policy interventions in your state and compare your state's strategies with others.

For more information, see the PAD State Law Fact Sheet: www.cdc.gov/dhdsp/pubs/pad_slfs.htm.

State	Targeted Placement		Training Anticipated Responders		Emergency Medical Services (EMS) Coordination		Emergency Response Plans			Quality Improvement			Maintenance and Testing	Limited Liability			
	Specified Location (SL)	Specific Placement On-site (SPO)	Placement at Schools (PS)	Training Anticipated Responders (TAR)	Graduation Requirement (GR)	EMS Registration (EMSR)	EMS Activation (EMSA)	Response Plan (RP)	Plan Written/Formalized (PW/F)	Plan Practiced (PP)	Quality Improvement Plan (QIP)	Clinical Use Reporting (CUR)	Medical Oversight (MO)	Maintenance and Testing (MT)	Limited Liability (LL)	Untrained Users UU	Trained Users Only (TUO)
