# INFECTION PREVENTION IN OUTPATIENT HEMODIALYSIS SETTINGS **WB4720**

**PROGRAM DESCRIPTION:** This enduring activity is designed to increase knowledge and educate dialysis staff and other healthcare providers on dialysis infection prevention and safety.

## **OBJECTIVES:**

At the conclusion of the session, the participant should be able to:

- 1. State one reason why infection prevention in dialysis is important.
- 2. Identify a standard precaution used in the outpatient hemodialysis setting.
- 3. State which hemodialysis access type has the highest risk of infection.
- 4. Identify two CDC tools and/or resources to assist with infection prevention in the outpatient hemodialysis setting.
- 5. Describe two ways that this educational activity will improve my contribution as a team member.

FACULTY/	Stephanie Booth, CIC, MPH

## **ACCREDITATION STATEMENTS:**

In support of improving patient care, The Centers for Disease Control and Prevention is jointly accredited by the Accreditation Council for Continuing Medical Education (ACCME), the Accreditation Council for Pharmacy Education (ACPE), and the American Nurses Credentialing Center (ANCC), to provide continuing education for the healthcare team.

**CME:** The Centers for Disease Control and Prevention designates this **enduring** activity for a maximum of **(1.75)** AMA PRA Category 1 Credits<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

#### AAPA CME: Credit Designation Statement – Enduring Materials

The Centers for Disease Control and Prevention has been authorized by the American Academy of PAs (AAPA) to award AAPA Category 1 CME credit for activities planned in accordance with AAPA CME Criteria. This activity is designated for **(1.75)** AAPA Category 1 CME credits. Approval is valid until **{08/01/2025}**. PAs should only claim credit commensurate with the extent of their participation.

**CNE:** The Centers for Disease Control and Prevention designates this activity for **(1.75)** nursing contact hours.

**CEU:** The Centers for Disease Control and Prevention is authorized by IACET to offer **(0.2)** CEU's for this program.

# For Certified Public Health Professionals (CPH)

The Centers for Disease Control and Prevention is a preapproved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer **(2.0)** CPH recertification credits for this program.

**DISCLOSURE:** In compliance with continuing education requirements, all planners and presenters must disclose all financial relationships, in any amount, with ineligible companies during the previous 24 months as well as any use of unlabeled product(s) or products under investigational use.

CDC, our planners, and content experts wish to disclose they have no financial relationship(s) with ineligible companies whose primary business is producing, marketing, selling, reselling, or distributing healthcare products used by or on patients.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use.

CDC did not accept financial or in-kind support from ineligible companies for this continuing education activity.

# Instructions for Obtaining Continuing Education (CE)

To receive continuing education (CE) for **[WB4720]-[ INFECTION PREVENTION IN OUTPATIENT HEMODIALYSIS SETTINGS]** please visit <u>TCEO</u> and follow these <u>9 Simple</u> <u>Steps</u> before **[08/01/2025]**.

Complete the activity Complete the Evaluation at <u>www.cdc.gov/GetCE</u> Pass the posttest at **75%** at <u>www.cdc.gov/GetCE</u>

**FEES:** No fees are charged for CDC's CE activities.
