

The Office of the National Coordinator for  
Health Information Technology

## Medicaid and Public Health Community of Practice

Jointly supported by the Centers for Disease Control and Prevention and the Office of the National Coordinator for Health IT

January 27, 2017

- The slides will be available after the webinar.
- Please submit questions during the presentation via the chat function.
- In addition, at the end of the presentation, we will provide an opportunity for participants to raise their hands to ask questions during the Q&A.

# CoP Meaningful Use Website

- <http://www.cdc.gov/ehrmeaningfuluse/cop.html>

The screenshot shows a web browser window displaying the CDC website for the Meaningful Use Community of Practice (CoP). The browser's address bar shows the URL <http://www.cdc.gov/ehrmeaningfuluse/cop.html>. The page has a navigation menu on the left with items like 'Introduction', 'Calendar', 'Connect with Others', 'CDC Meaningful Use ListServ', 'Meaningful Use Community', 'Public Health - EHR Vendors Collaboration Initiative', 'Joint Public Health Forum & CDC Nationwide', 'Meaningful Use (MU) Public Health (PH) Reporting Requirements Task Force', 'Community of Practice (CoP)', 'ELR Task Force', 'Jurisdiction Meaningful Use Websites', 'S & I Framework', 'Reportable Conditions Knowledge Management System', 'External Links', 'Frequently Asked Questions', 'Public Health Options', and 'Resources'. The main content area features a header with a 'Meaningful Use' title and a word cloud containing terms like 'incentive', 'payments', 'hospitals', 'eligible', 'Medicaid', 'Medicare', 'EHR', 'section', 'measures', 'clinical', 'period', 'annual', 'attested', 'transition', 'reporting', 'quality', 'patient', 'hospital', 'program', 'state', 'year', 'rule', 'EPs', 'rule', 'section', 'measures', 'clinical', 'period', 'annual', 'attested', 'transition', 'reporting', 'quality', 'patient', 'hospital', 'program', 'state', 'year', 'rule', 'EPs'. Below the header, the page is titled 'Community of Practice (CoP)' and includes social media icons for Facebook, Twitter, and a plus sign. The main text describes the CoP as a collaborative forum for public health agencies (PHAs) to identify common barriers and challenges to obtaining FFP for public health related HIT activities, share successful models and approaches used to obtain FFP, establish best practices to identify and coordinate intra-agency initiatives and projects that may qualify for funding, develop guidance for HIT Implementation Advance Planning Documents (IAPD), identify key aspects for successful communications and planning with State Medicaid agencies, and share the latest updates and opportunities for PHAs. The page also mentions that the CoP will meet using the GoToWebinar tool on a bi-weekly basis starting August 12, 2016, and provides information about the webinar, including that GoToWebinar will now be used for these webinars and pre-registration for this event is required. The page concludes with 'Webinar Registration Instructions'.

# How to submit or ask questions for the panel members?

## Submit or Ask Questions

- Submit your text question and comments using the Question Panel
- Please raise your hand to be unmuted for verbal questions.

# Agenda

- Introductions/Announcements
- Leveraging 90/10 Medicaid Funding: HealthInsight Nevada
  - » Eileen Colen, Outreach Director of HealthInsight Nevada
- Discussion/Q&A
- Proposed Next Steps

YOUR HEALTH INFORMATION  
**EXCHANGE**

# Health Information Exchange in Nevada

Eileen Colen, Outreach Director

# Overview

HealthIE Nevada

Connecting to Nevada

90/10 funded projects

Future projects

# HealthIE Nevada Data

- 3,236,021 unique patients
- 100,000,000+ clinical records
  - Admissions and discharge information
  - Laboratory results
  - Radiology results, including diagnostic-quality images
  - A wide range of summary notes and reports

# Connecting to Nevada

Immunization Registry

Syndromic Surveillance

State Mental Health

# 90/10 Funded Projects – The Beginning

Growing need for connectivity to state

Electronic lab reporting

Nevada Central Cancer Registry

- New project for HIE IT vendor

# 90/10 Funded Projects - Process

## Conversations and collaboration

- State and community needs

## Exploration and feasibility

- Current functionality
- Specification and scope development
- Technical vendor involvement

# 90/10 Funded Projects - Challenges

## Nevada Central Cancer Registry

- Brand new functionality
- Interoperability – data
- Captured in systems
- Standardization
- HER capabilities and certification

## Electronic Lab Reporting

- Codes
- Data requirements not captured in EHR

# Future

Planning - HealthIE Nevada collaboration
