

## Medicaid and Public Health Community of Practice

---

Jointly supported by the Centers for Disease Control and Prevention and the Office of the National Coordinator for Health IT

06/23/2017

- The slides will be available after the webinar.
- Please submit questions during the presentation via the chat function.
- In addition, at the end of the presentation, we will provide an opportunity for participants to raise their hands to ask questions during the Q&A.
- This webinar is NOT being recorded.

# CoP Meaningful Use Website

- <http://www.cdc.gov/ehrmeaningfuluse/cop.html>

The screenshot shows a web browser window displaying the CDC Meaningful Use Community of Practice (CoP) website. The address bar shows the URL <http://www.cdc.gov/ehrmeaningfuluse/cop.html>. The page has a navigation menu on the left with items like Introduction, Calendar, Connect with Others, and Community of Practice (CoP). The main content area features a header with a word cloud and a photo of healthcare workers. Below the header, there is a section titled "Community of Practice (CoP)" with social media icons for Facebook, Twitter, and a plus sign. The text describes the CoP's purpose and lists its goals, such as identifying barriers to FFP and sharing best practices. It also provides information about the bi-weekly webinars, including the use of the GoToWebinar tool and the requirement for pre-registration.

## Community of Practice (CoP)

The Office of the National Coordinator for Health Information Technology (ONC), in collaboration with Centers for Disease Control & Prevention (CDC) have revived the Community of Practice (CoP) focused on leveraging Federal financial participation (FFP), including the 90 percent FFP State administrative match (a.k.a. 90/10) for Medicaid Health Information Technology (HIT) activities. The proposed participants in this CoP will include representatives from public health agencies (e.g., MU Coordinators, HIT Coordinators), state Medicaid offices and national public health associations.

This CoP will provide a collaborative forum for public health agencies (PHAs) to:

- Identify common barriers and challenges to obtaining FFP for public health related HIT activities
- Share successful models and approaches used to obtain FFP
- Establish best practices to identify and coordinate intra-agency initiatives and projects that may qualify for funding
- Develop guidance for HIT Implementation Advance Planning Documents (IAPD)
- Identify key aspects for successful communications and planning with State Medicaid agencies
- Share the latest updates and opportunities for PHAs

This CoP will meet using the GoToWebinar tool on a bi-weekly basis starting August 12, 2016. Pre-registration is required to join these meetings.

### Webinar Information

- GoToWebinar will now be used for these webinars and pre-registration for this event is required. Please follow the registration instructions listed below to receive instructions on how to join this webinar.
- Your registration will be valid for the all of the currently scheduled monthly meetings.
- The instructions you receive will include a link to add these recurring meetings to your calendar.
- You are advised to test your GoToWebinar connectivity prior to the meeting by following the instructions provided below.

### Webinar Registration Instructions

# How to submit or ask questions for the panel members?

## Submit or Ask Questions

- Submit your text question and comments using the Question Panel
- Please raise your hand to be unmuted for verbal questions.

# Agenda

- Introductions/Announcements
- Q&A with Tom and Jim
  - » Tom Novak, ONC's CMS Lead
  - » Jim Daniel, ONC's Public Health Coordinator
- Proposed Next Steps

The Office of the National Coordinator for  
Health Information Technology
