The screenshot shows a web browser window displaying the CDC Meaningful Use Community of Practice (CoP) website. The address bar shows the URL <http://www.cdc.gov/ehrmeaningfuluse/cop.html>. The page has a navigation menu on the left with items like Introduction, Calendar, Connect with Others, CDC Meaningful Use ListServ, Meaningful Use Community, Public Health - EHR Vendors Collaboration Initiative, Joint Public Health Forum & CDC Nationwide, Meaningful Use (MU) Public Health (PH) Reporting Requirements Task Force, Community of Practice (CoP), ELR Task Force, Jurisdiction Meaningful Use Websites, S & I Framework, Reportable Conditions Knowledge Management System, External Links, Frequently Asked Questions, Public Health Options, and Resources. The main content area features a header with a word cloud and a photo of healthcare workers. Below the header, the page title is "Meaningful Use" and the breadcrumb trail is "CDC > Meaningful Use > Connect with Others > Meaningful Use Community". The main heading is "Community of Practice (CoP)" with social media icons for Facebook, Twitter, and a plus sign. The text describes the CoP's purpose: "The Office of the National Coordinator for Health Information Technology (ONC), in collaboration with Centers for Disease Control & Prevention (CDC) have revived the Community of Practice (CoP) focused on leveraging Federal financial participation (FFP), including the 90 percent FFP State administrative match (a.k.a. 90/10) for Medicaid Health Information Technology (HIT) activities. The proposed participants in this CoP will include representatives from public health agencies (e.g., MU Coordinators, HIT Coordinators), state Medicaid offices and national public health associations." It then lists the goals of the CoP: "This CoP will provide a collaborative forum for public health agencies (PHAs) to:" followed by a bulleted list: "Identify common barriers and challenges to obtaining FFP for public health related HIT activities", "Share successful models and approaches used to obtain FFP", "Establish best practices to identify and coordinate intra-agency initiatives and projects that may qualify for funding", "Develop guidance for HIT Implementation Advance Planning Documents (IAPD)", "Identify key aspects for successful communications and planning with State Medicaid agencies", and "Share the latest updates and opportunities for PHAs". Below this, it states: "This CoP will meet using the GoToWebinar tool on a bi-weekly basis starting August 12, 2016. Pre-registration is required to join these meetings." The next section is "Webinar Information" with a bulleted list: "GoToWebinar will now be used for these webinars and pre-registration for this event is required. Please follow the registration instructions listed below to receive instructions on how to join this webinar.", "Your registration will be valid for the all of the currently scheduled monthly meetings.", "The instructions you receive will include a link to add these recurring meetings to your calendar.", and "You are advised to test your GoToWebinar connectivity prior to the meeting by following the instructions provided below." The final section is "Webinar Registration Instructions".
