EPIDEMIC INTELLIGENCE SERVICE

CDC's Disease Detective Training Program

WE WERE THERE

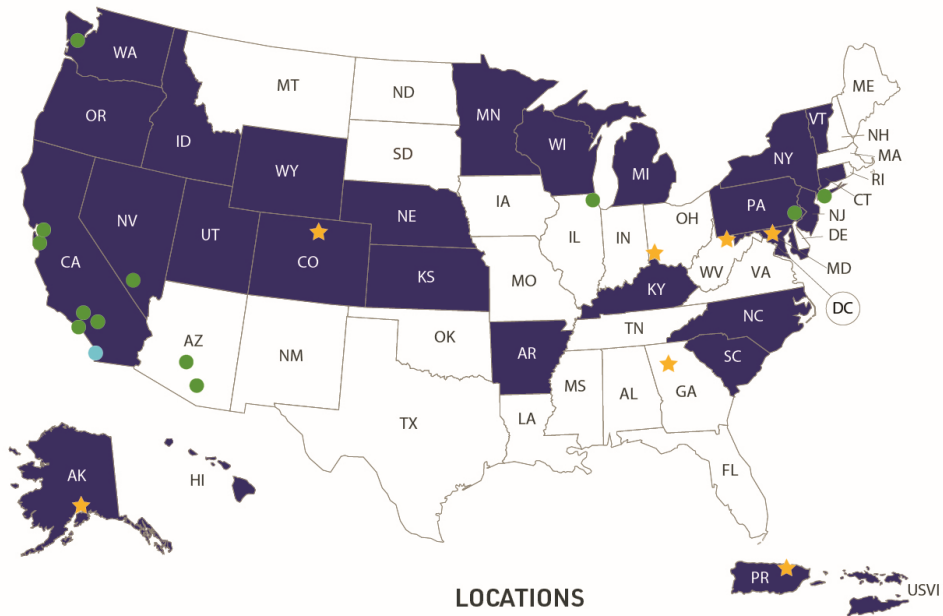

A man and a woman are sitting at a desk in an office, looking at a large computer monitor. The man is wearing a blue shirt and glasses, and the woman is wearing a light-colored top. They are both looking at the screen, which displays a complex spreadsheet or data management system. The desk is cluttered with a keyboard, a mouse, and a large bottle of water. A window in the background shows a white pickup truck parked outside. The text "ON THE FRONT LINES" is overlaid in the center of the image.

ON THE FRONT LINES

2023 & 2024 EIS CLASSES

86 in class of 2023 | 49 in class of 2024

LOCATIONS

- State or territorial health departments (30 officers)
- City, county, tribal, and other partners (16 officers)
- CDC headquarters and campuses (88 officers)
- Combined local and federal positions (1 officer)

2023 and 2024 EIS classes (135 officers)
86 in class of 2023 | 49 in class of 2024

Effective July 2024

OFFICERS
ARE ...**

**WHY
EIS?**

**THERE'S
NOTHING
LIKE IT**

A man with grey hair and glasses, wearing a light blue button-down shirt and jeans, is leaning over a desk. A woman with brown hair in a ponytail, wearing a dark blue short-sleeved shirt with 'FAS' on the sleeve, is also leaning over the desk. They are both looking at a large map spread out on the desk. The map shows geographical features and labels for 'SIERRA LEONE', 'LIBERIA', and 'CÔTE D'IVOIRE'. In the background, there are office shelves with boxes, one of which has the 'esri' logo. A semi-transparent white box with the text 'WHERE COULD EIS TAKE YOU?' is overlaid on the center of the image.

CDC Directors are EIS alumni

A group of four people are seated around a wooden conference table in a meeting room. On the left, a woman in a dark uniform with yellow stripes on the sleeve is seen from the side. Across from her, a man with a beard and glasses, wearing a blue and white checkered shirt, is gesturing with his right hand while speaking. To his right, a man in a tan military-style uniform is listening. On the far right, a man in a blue and white checkered shirt is seen from the back. The table is cluttered with papers, a laptop, and a calculator. In the background, a whiteboard has a simple line graph and the word 'TIME' written on it. A television screen on the right wall shows the letters 'Tu'.
