Hyde United States Global Leadership Against HIV/AIDS, Tuberculosis, and Malaria Reauthorization Act of 2008).
CFDA # and Title	93.067 – Global AIDS
Purpose of the Award	This award is intended to build upon existing ministry of health initiatives to promote a strong health-sector response to HIV/AIDS as part of a multisectoral and

	<p>integrated national approach. The MSHP will coordinate award activities with various sub-departments of the Ministry and foster stronger involvement of local government officials and other stakeholders to ensure effective and efficient implementation of HIV/AIDS activities and to promote local ownership and sustainability. Specifically, this award will directly contribute to: the development and refinement of regional-level HIV activity planning, coordination, and implementation in Côte d'Ivoire; an integrated national monitoring and evaluation system; improved HIV/AIDS surveillance; improved use of data to inform decision-making; and strengthened human and institutional capacities for planning, strategic information, training, supervision, and resource mobilization.</p>
<p>Single Source Justification Criteria Cited</p>	<p>The MSHP is the only eligible applicant that can apply for this funding opportunity because it is the sole public sector entity in Cote d'Ivoire mandated by the government to address the public's health needs. This mandate includes coordination, monitoring and evaluation of comprehensive STI/TB and HIV prevention, and care and treatment services.</p>
