ABSTRACT

Funding Opportunity Number	GH13-1316
Title of Announcement	Implementation of Integrated HIV/AIDS Treatment, Care and Prevention Programs in the Republic of Mozambique under the President’s Emergency Plan for AIDS Relief (PEPFAR)
Applicant: Name, Mailing address, phone number, FAX number, email address	Ministry of Health, Republic of Mozambique Dr. António Guilherme Mujovo Av. Eduardo Mondlane /Salvador Allende Maputo, Mozambique
Approximate Total Project Period Funding	\$25,000,000
Approximate Current Fiscal Year Funding	\$5,000,000
Award Ceiling: Budget Year 1	\$5,000,000
Award Floor: Budget Year 1	None
New Award or Continuation	New
Project Period Length	5 Years
Budget Period Length	12 Months
Award Mechanism	U2G – Global HIV/AIDS Non-Research Cooperative Agreements
Statutory Authority	This program is authorized under Public Law 108-25 (the United States Leadership Against HIV/AIDS, Tuberculosis and Malaria Act of 2003) [22 U.S.C. 7601, <i>et seq.</i>], and Public Law 110-293 (the Tom Lantos and Henry J. Hyde United States Global Leadership Against HIV/AIDS, Tuberculosis, and Malaria Reauthorization Act of 2008).
CFDA # and Title	93.067 – Global AIDS
Purpose of the Award	The purpose of this program is to support the implementation of integrated HIV/AIDS treatment, care and prevention programs in the Republic of Mozambique. Activities to be supported include in monitoring and evaluation (M&E), human resources for health, biosafety, cervical cancer, prevention of HIV in the workplace, counseling and testing, Prevention of Mother to Child Transmission (PMTCT), prevention of HIV amongst most at risk populations, positive prevention, adult and pediatric care and treatment, strategic information, sexually transmitted infections, tuberculosis, traditional medicine, improving and expanding reproductive health in the clinical and community setting, and establishing health information systems to carry out routine HIV program monitoring and evaluation activities.

Single Source Justification Reasons Cited	The Ministry of Health (MOH) is the only appropriate and qualified organization to conduct a specific set of activities supportive of the CDC Global AIDS Program's technical assistance to Mozambique for the following reasons: (1) the MOH is uniquely positioned, in terms of legal authority, ability, and credibility among Mozambique citizens, to collect crucial data on HIV/AIDS as well as to provide care to HIV infected patients; (2) the MOH in Mozambique is mandated to perform the activities necessary for the control of epidemic, including HIV/AIDS; (3) private health care services are virtually nonexistent, however, the MOH already has an established network of health care facilities of varying capacity throughout Mozambique.
