Award Mechanism	U2G – Global HIV/AIDS Non-Research Cooperative Agreements
Statutory Authority	This program is authorized under Public Law 108-25 (the United States Leadership Against HIV/AIDS, Tuberculosis and Malaria Act of 2003) [22 U.S.C. 7601, <i>et seq.</i>], and Public Law 110-293 (the Tom Lantos and Henry J. Hyde United States Global Leadership Against HIV/AIDS, Tuberculosis, and Malaria Reauthorization Act of 2008).
CFDA # and Title	93.067 – Global AIDS
Purpose of the Award	The purpose of this program is to increase the capacity of Namibia’s leading pre-service health-sciences institution, the University of Namibia, to produce sufficient numbers of high-quality health workers to meet the demand for health services in the country by 2020.
Single Source Justification Reasons Cited	The University of Namibia is the only institution in Namibia accredited to train medical doctors and is the leading trainer of nurses, pharmacist, and other health professionals in the country. The Faculty of Health Sciences is the umbrella for the School of Medicine (SOM) and the School of Nursing and Public Health (SONPH) and is the only institution in the

	<p>country charged by the Government of Namibia with the training of all cadres of health care professionals. Additionally, the University is the only provider of Bachelor of Medicine and Surgery (MBCHB) and Bachelor of Pharmacy (Bpharm) degrees in Namibia including the variety of degrees and diplomas, such as Bachelors, Masters, and Doctorates of Nursing, and a Masters in Public Health, critical to development of sustainable public health systems.</p>
