Q:

My question is about foreign nonprofits. The FOA is silent whether foreign organizations (other than local in-country applicants, of course). In our case, we are a non-profit based outside of the US with a 501 C3 status in the US. As per the FOA, I would assume that we would be eligible to this call, but I would very much like to confirm this.

R:

Foreign organizations are eligible to apply to this FOA.
