Q:

Is it permissible to purchase a vehicle in this period of award?

R:

The proposal you are developing may include purchase of vehicle following the instruction on "Equipment" in page 46, section 15 of the FOA. You have to provide adequate justification on the need of the vehicle.

Q:

The 5th Programmatic area is on HRH. According the document, the goal of HRH is mainly focusing on pre-service medical education strengthening which includes activities like, faculty development; securing sufficient teaching equipment, and books; strengthening E- learning system; organizing extra tutorial session; improving skill laboratory, etc. Should we include this in our proposal?

R:

As indicated on page 16 of the RFA, HRH/Pre-service activities may be included. However, each applicant must avoid duplication with other activities identified for their university, in this case such as Medical Education Partnership Initiative (MEPI).
