Funding Opportunity Announcement CDC-RFA-GH16-1648

Provision of Technical Assistance for Implementation of Comprehensive HIV Care, Treatment, and Support Programs in the United Republic of Tanzania through CDC under the President’s Emergency Plan for AIDS Relief (PEPFAR)

	Question	Response
1.	Can you let us know which agency currently has this scope of work?	CDC is unable to release the names of previous/current partners.
2.	Will there be any opportunity for a briefing on this RFA for organizations that are interested in applying?	Briefings for this FOA will not be convened. Please submit any questions you have in writing in accordance with the Question and Answer process outlined on page 50 of CDC-RFA-GH16-1648.
