

97 million
people affected by
natural disasters

**More than
1.3 billion**
people still lack
access to electricity

**Every 20
seconds**
a child dies from a
water-borne illness,
such as diarrhea

August 19 is **World Humanitarian Day**

Learn more about how CDC
works to build public health
capacity globally during—and
after—humanitarian emergencies.

51.2 million
people forcibly displaced
by violence and conflict

**About
768 million**
people without access
to safe water source

**About
800 women**
die every day from
maternal causes
