GHSA Progress: Georgia

P1: Antimicrobial Resistance
P2: Zoonotic Disease
P3: Biosafety & Biosecurity Systems
P4: Immunization
D1: Laboratory Systems
D2/3: Real-Time Biosurveillance
D4: Rapid Reporting
D5: Workforce Development
R1: Emergency Operations Centers
R2: Multi-sectoral Response
R3: Medical Countermeasures and Personnel

Contributors
INTERNATIONAL ORGANIZATIONS

Key
Red = 0-39%
Yellow = 40-69%
Green = 70-100%

Information on this slide is derived from initial assessment report, and status of progress is based on progress made at the time of initial assessments as country moves towards full achievement of targets.
