1. You've been identified as your school's "lead" teacher for health education. How would you describe your primary position here in terms of health education? **CHECK THE ONE BEST ANSWER (1-7). RECORD (8) OTHER. THEN ASK:** So I could characterize your position as . . . ? **READ BACK ANSWER TO GET RESPONDENT'S AGREEMENT. REVISE, IF NEEDED.**

- 1 Chair of school's health education department
- 2 School's lead health education teacher, though not necessarily department chair
- 3 One of several health education teachers
- 4 School's only health education teacher
- 5 A teacher of another subject besides health education
- 6 A school nurse
- 7 A coordinator who does not teach
- 8 Other (**SPECIFY**):

I. REQUIRED HEALTH EDUCATION

I'd like to begin by asking about your school's health education requirements. Let me define some terms first so that we'll be talking about the same things. When I use the term "course," I mean an entire set of classes that a group of students attends throughout a school term. When I use the term "class section," I mean one group of students that meets for a particular course. Do you have any questions about how I'll be using these terms? **IF NEEDED, REVIEW DEFINITIONS.**

2. **HANDCARD #1.** Look at Handcard #1. Is any instruction on health education topics such as these required in any courses for students in your school? **CHECK THE ONE BEST ANSWER.**

- 1 No--**SKIP TO Q.10**
- 2 Yes

3. How much health education are students required to take while attending this school? Please count all of a student's health education requirements. **CHECK THE TYPE OF UNIT (1-6), OR RECORD (7) OTHER. RECORD NUMBER OF UNITS REQUIRED. SAY:** So, your school requires (**READ NUMBER AND UNITS GIVEN**) of health education. Is that correct? **REVISE, IF NEEDED.**

Number of units required

- 1 Years _____
- 2 Semesters _____
- 3 Trimesters _____
- 4 Quarters _____
- 5 Weeks _____
- 6 Carnegie units _____
- 7 Other (**SPECIFY UNIT**): _____

4. Now I want to ask about required courses composed mainly of health education topics. It's my understanding that your school (**SAY "DOES" OR "DOES NOT"**) teach one or more required health education courses. Is this correct? **CHECK THE ONE BEST ANSWER.**

- 1 Does not teach required health education courses--**SKIP TO Q.10**
- 2 Does teach required health education courses

5. I've made a list of the required health education courses we were told are taught in your school. **SHOW LIST IN GRID TO RESPONDENT.** Please check to see if I've listed all the courses, and tell me what grade of students usually take each course. **REVISE LIST, IF NEEDED. FOR EACH COURSE, CHECK GRADES THAT USUALLY TAKE COURSE.**
