Special Instructions

NOTE: THROUGHOUT THIS QUESTIONNAIRE, TEXT THAT APPEARS IN ALL CAPITAL LETTERS WILL NOT BE READ ALOUD TO RESPONDENTS.

THIS QUESTIONNAIRE WILL BE ADMINISTERED USING COMPUTER ASSISTED PERSONAL INTERVIEW TECHNOLOGY. THE INTERVIEWER WILL READ THE QUESTIONS ALOUD AND TYPE RESPONSES TO THE QUESTIONS INTO THE LAPTOP COMPUTER. THE INTERVIEW PROGRAM WILL 1) DISPLAY THE CORRECT TENSE OF VERBS, 2) PROVIDE ALTERNATE ANSWERS TO QUESTIONS (E.G., NOT APPLICABLE), 3) NAVIGATE COMPLEX SKIP PATTERNS, AND 4) PERFORM OTHER USEFUL FUNCTIONS. COMMENTS APPEARING IN THE MARGIN REPRESENT ASSISTANCE AVAILABLE TO THE RESPONDENT IF ADDITIONAL CLARIFICATION IS REQUIRED ON THE QUESTION OR THE SPECIFIC TERMINOLOGY USED. WHEN ASKED, THE INTERVIEWER WILL READ THESE STATEMENTS ALOUD TO THE RESPONDENT. THE PROGRAMMING SPECIFICATIONS FOR THE INTERVIEW ARE NOT INCLUDED IN THIS PRINTED VERSION OF THE QUESTIONNAIRE.
1. What is your job title at the school? (In which role do you spend more time?)

1) Principal
2) Asst. Principal/Other School Administrator
3) School Secretary
4) Physical Ed Teacher
5) Athletic Director
6) Health Ed Teacher
7) Other Teacher
8) Food Service Manager
9) Commercial Food Service Provider
10) Other School Food Service Staff
11) School Counselor
12) Social Worker
13) Psychologist
14) Other Mental Health/Social Services Provider
15) Nurse
16) Health Aide
17) Physician
18) Other Health Services Provider
19) SBHC Health Services Staff
20) SBHC Mental Health/Social Services Staff
21) Other Staff
Staffing Characteristics

This interview asks about standard mental health and social services. By “standard,” we mean services available to all students at your school. Mental health and social services include services such as crisis intervention, identification of emotional disorders, or assistance with enrolling in Medicaid. These services usually are provided by a school counselor, psychologist, or social worker but also could be provided at your school by staff from collaborating community agencies.

First, I would like to ask questions about staffing for standard mental health and social services at your school. Please include both contracted providers and regular school staff.

2. Is there a part-time or full-time school counselor who provides standard mental health or social services to students at your school? Do not include school counselors who provide only academic counseling or college or career placement.
   Yes ...........................................................................1
   No.............................................................................2  → SKIP TO Q5

3. How many part-time or full-time school counselors provide standard mental health or social services to students at your school?
   _____ Counselors

4. During the past 30 days, how many hours per week on average has each school counselor spent at your school?
   Counselor 1 _____ Hours/Week
   Counselor 2 _____ Hours/Week
   Counselor 3 _____ Hours/Week
   Counselor 4 _____ Hours/Week

5. At your school, what is the minimum level of education required for a newly hired school counselor?
   Undergraduate degree in counseling........................1
   Master’s degree in counseling .................................2
   Other degree (Specify).............................................3
   No specific education requirement ..........................4

6. Is a newly hired school counselor required to be licensed, certified, or credentialed by a state agency or board?
   Yes...........................................................................1
   No.............................................................................2
   State does not license, certify, or credential school counselors.............................................3
7. Is there a part-time or full-time school psychologist who provides standard mental health or social services to students at your school? Do not include school psychologists who only conduct psychological testing.
   Yes .................................................................1
   No .................................................................2  \(\Rightarrow\) SKIP TO Q10

8. How many part-time or full-time school psychologists provide standard mental health or social services to students at your school?
   ____ Psychologists

9. During the past 30 days, how many hours per week on average has each school psychologist spent at your school?
   Psychologist 1 _____ Hours/Week
   Psychologist 2 _____ Hours/Week
   Psychologist 3 _____ Hours/Week
   Psychologist 4 _____ Hours/Week

10. At your school, what is the minimum level of education required for a newly hired school psychologist?
    Undergraduate degree in psychology ......................1
    Master’s degree in psychology ..........................2
    Doctorate in psychology .................................3
    Other degree (Specify) ..................................4
    No specific education requirement .....................5

11. Is a newly hired school psychologist required to be licensed, certified, or credentialed by a state agency or board?
    Yes .................................................................1
    No .................................................................2
    State does not license, certify, or credential school psychologists ...............3

12. Is there a part-time or full-time school social worker who provides standard mental health or social services to students at your school?
    Yes .................................................................1
    No .................................................................2  \(\Rightarrow\) SKIP TO Q15
13. How many part-time or full-time school social workers provide standard mental health or social services to students at your school?
   ____ Social workers

14. During the past 30 days, how many hours per week on average has each school social worker spent at your school?
   
   Social worker 1 ____ Hours/Week
   Social worker 2 ____ Hours/Week
   Social worker 3 ____ Hours/Week
   Social worker 4 ____ Hours/Week

15. At your school, what is the minimum level of education required for a newly hired school social worker?
   
   Undergraduate degree in social work ...............1
   Master’s degree in social work .........................2
   Other degree (Specify).................................3
   No specific education requirement .................4

16. Is a newly hired school social worker required to be licensed, certified, or credentialed by a state agency or board?
   
   Yes ..............................................................1
   No..............................................................2
   State does not license, certify, or credential school social workers..............3

17. Are all school mental health or social services staff required to earn continuing education credits on mental health or social services topics?
   
   Yes ..............................................................1
   No..............................................................2
Staffing Characteristics

IF THERE IS NO SCHOOL COUNSELOR, PSYCHOLOGIST, OR SOCIAL WORKER AT THIS SCHOOL (Q2, Q7, AND Q12 ARE “NO”), SKIP TO THE INTRODUCTION TO Q21.

18. During the past 12 months, has a school counselor, psychologist, or social worker at your school talked to or taught...

   Yes   No

   ANSWER A AND B FOR MIDDLE AND HIGH SCHOOL ONLY. OTHERWISE, SKIP TO THE INSTRUCTIONS BEFORE C.

   a. A health education class at your school? ..................................... 1 ..................... 2
   b. Any other class at your school? .................................................. 1 ..................... 2

   ANSWER C AND D FOR ELEMENTARY SCHOOL ONLY. OTHERWISE, SKIP TO THE INTRODUCTION TO Q19.

   c. Students at your school as part of a health education lesson or unit? ............................................................................. 1 ..................... 2
   d. Students at your school as part of any other lesson or unit? ....... 1 ..................... 2
**Collaboration and Promotion**

Now I’m going to ask you about collaboration among mental health or social services staff and other school and local agency staff.

19a. During the past 12 months, has a school counselor, psychologist, or social worker at your school worked on standard school mental health or social services activities with health education staff from your school?
   - Yes .................................................................1
   - No.................................................................2
   - School does not have health education staff ..........3

**Comment [Help1]:** By “standard,” I mean services available to all students at the school.

**Comment [Help2]:** “Worked on mental health or social services activities with” means collaborated with on mental health or social services activities or worked with to coordinate mental health or social services activities.

<td>1</td>
<td>2</td>
</tr>
</tbody>
</table>

24. Where in relation to your school’s main office is the primary location where students go to obtain standard mental health or social services? Are the services offered…

Within the same office suite as the main office, 1
Within view of the main office, 2
Not within view of the main office, 3

Comment [Help8]: By “standard,” I mean services available to all students at the school.

Comment [Help9]: By “standard,” I mean services available to all students at the school.
**Provision of Mental Health and Social Services**

I am going to ask about the activities of mental health or social services staff such as school counselors, psychologists, and social workers. Please do not include activities by teachers in the classroom or activities by nurses or physicians. I’ll find out about their activities during a different interview.

**SHOW CARD 1**

As I read the list on this card, please tell me if each is provided by mental health or social services staff to students at your school.

25. Do mental health or social services staff provide...

<table>
<thead>
<tr>
<th></th>
<th>Yes</th>
<th>No</th>
</tr>
</thead>
<tbody>
<tr>
<td>a. Case management for students with emotional or behavioral problems?</td>
<td>1</td>

<td>f. Peer counseling or mediation?</td>
<td>1</td>
<td>2</td>
</tr>
<tr>
<td>g. Self-help or support groups?</td>
<td>1</td>
<td>2</td>
</tr>
</tbody>
</table>

Comment [Help10]: By "case management," I mean wide-ranging assistance such as helping the student access needed services, providing counseling and anticipatory guidance, briefing the student’s family members about necessary care, and helping the student learn and implement self-management of his or her condition or disability.

IF Q25A–G ARE ALL “NO” SKIP TO THE INTRODUCTION TO Q28.

26. Who provides [each service listed in Q25A–G]? MARK ALL THAT APPLY

- School counselor
- School psychologist
- School social worker
- Other (Specify)

1 2 3 4
27. At your school, how are standard mental health and social services funded?
MARK ALL THAT APPLY
- School district budget ..............................................1
- Medicaid ..................................................................2
- State Children’s Health Insurance Program (SCHIP) .........................................................3
- Private insurance .................................................4
- Public grants ........................................................5
- Private grants .......................................................6
- Other ........................................................................7

Comment [Help11]: By “standard,” I mean services available to all students at this school.

Student assistance programs provide services designed to assist students experiencing personal or social problems that can impact school performance, physical health, or overall well-being.

28. Is a student assistance program offered to students at your school?
   Yes ...........................................................................1
   No.............................................................................2

Some schools have a team of school staff who collaborate to provide assistance to students with disabilities or those who are experiencing academic difficulties or behavioral problems. These sometimes are called student support teams, student assistance teams, or student guidance teams.

29. Does your school have such a team?
   Yes ...........................................................................1
   No.............................................................................2

   \[\text{SKIP TO THE INSTRUCTIONS BEFORE Q3}1\]

30. Does this team include staff from collaborating community agencies?
   Yes ...........................................................................1
   No.............................................................................2

IF THIS IS A PRIVATE OR CATHOLIC SCHOOL, SKIP TO Q34.

31. Does someone from the mental health and social services staff participate in the development of Individualized Education Programs, or IEPs, when indicated?
   Yes ...........................................................................1
   No.............................................................................2

Comment [Help12]: An IEP is a document written by school administrators, teachers, and parents which identifies annual goals, strategies, or services provided for a student with special education needs.
32. Does someone from the mental health and social services staff participate in the development of Individualized Health Plans, or IHPs, when indicated?

Yes ................................................................. 1
No ................................................................. 2

33. Does someone from the mental health and social services staff participate in the development of 504 plans, when indicated?

Yes ................................................................. 1
No ................................................................. 2

34. During the past 12 months, has your school reviewed mental health or social services records to identify students with chronic mental health or social services problems or ways to prevent further occurrences of these problems?

Yes ................................................................. 1
No ................................................................. 2
School does not keep mental health or social services records ............................................. 3

35. Is there backup or after hours coverage when school mental health or social services staff are unavailable, for example after school or on weekends?

Yes ................................................................. 1
No ................................................................. 2
Services Provided at Other Sites

This next set of questions asks about mental health or social services delivered to students or families from your school at other sites not on school property regardless of whether the services are paid for by the school system. These services may be provided by mental health or social services professionals who work at school-linked health centers or who have a contract, memorandum of agreement, or other similar arrangement with the district or school to provide mental health or social services to students or families.

36. Currently, do any organizations or mental health or social services professionals have a contract, memorandum of agreement, or other similar arrangement to provide mental health or social services to students or families from your school?
   Yes ...........................................................................1
   No.............................................................................2  \(\Rightarrow\) SKIP TO Q40

SHOW CARD 2

37. Which of the organizations or mental health or social services professionals listed on this card have arrangements to provide mental health or social services to students or families from your school?
   MARK ALL THAT APPLY
   A school-linked health center ..................................1
   A community health clinic or health center ..........2
   A local health department .......................................3
   A local hospital .......................................................4
   A local mental health or social services agency ......5
   A university, medical school, or nursing school .........6
   A managed care organization .................................7
   A private psychologist ..........................................8
   A private psychiatrist .............................................9
   A private social worker .........................................10
   A private counselor .............................................11
SHOW CARD 3

As I read the list printed on this card, please tell me if there are arrangements with any organizations or mental health or social services professionals to provide these services to students or families from your school.

38. Are there arrangements with any organizations or mental health or social services professionals to provide…

Yes  No

ANSWER A AND B FOR MIDDLE AND HIGH SCHOOL ONLY. OTHERWISE, SKIP TO C.

a. Tobacco use cessation? ............................................................ 1 ............... 2
