This survey is about health behavior. It has been developed so you can
tell us what you do that may affect your health. The information you give
will be used to improve health education for young people like yourself.

DO NOT write your name on this survey. The answers you give will be
kept private. No one will know what you write. Answer the questions
based on what you really do.

Completing the survey is voluntary. Whether or not you answer the
questions will not affect your grade in this class. If you are not
comfortable answering a question, just leave it blank.

The questions that ask about your background will be used only to
describe the types of students completing this survey. The information
will not be used to find out your name. No names will ever be reported.

Make sure to read every question. Fill in the ovals completely. When you
are finished, follow the instructions of the person giving you the survey.

Public reporting burden for this collection of information is estimated to average 45 minutes per response,
including time for reviewing instructions, searching existing data sources, gathering and maintaining the data
needed, and completing and reviewing the collection of information. An agency may not conduct or sponsor,
and a person is not required to respond to a collection of information unless it displays a currently valid
OMB control number. Send comments regarding this burden estimate or any other aspect of this collection
of information, including suggestions for reducing this burden to: CDC Reports Clearance Officer, 1600
Clifton Road, MS D-74, Atlanta, GA 30333, ATTN: PRA (0920-0493)
