- **Commitment** – How enthusiastic would the school community be about implementing the action?
- **Feasibility** – How difficult would it be to complete the action?

Activity I

Instructions

- Assign roles
- Separate Practice Module 1 Scorecard from discussion questions
- Walk through discussion questions and record answers on Scorecard
- Calculate score

Activity I

Discussion

- What was easy?
- What was difficult?
- Did you learn anything new by discussing these issues?
- What was one barrier your group faced, and how did you overcome it?
- Does anyone have any questions about completing the discussion questions before we move on to the planning questions?

Activity II

Instructions

- Remember roles!
- Complete planning questions
 - Identify strengths and weaknesses
 - Brainstorm actions to address weaknesses
 - Prioritize actions using table
- Select a representative to report back

Activity II

Debrief

- Each group share one action that was identified as a priority and tell us which weakness you are addressing with this action.
