Is the applicant a faith-based organization? NOTE: A faith-based organization is a non-government organization owned by religiously affiliated entities such as (1) individual churches, synagogues, temples, or other places of worship or (2) a network or coalition of churches, mosques, synagogues, temples, or other places of worship.		<input type="checkbox"/> Yes <input type="checkbox"/> No	
Category Applying Under: <i>(Select the category for which you intend to apply. Organizations may apply under only <u>one</u> category.)</i>	<input type="checkbox"/> Category A: HIV prevention services for Young Men of Color Who Have Sex with Men (YMSM of Color) and their partners regardless of age, gender, and race/ethnicity.	<input type="checkbox"/> Category B: HIV prevention services for Young Transgender (YTG of Color) persons of color and their partners regardless of their age, gender, and race/ethnicity.	
Target Population: Must have provided HIV prevention or care services to the target population in accordance with the specific requirements for Category A and/or B for the past 24 months. Please provide % for each applicable target population. Totals must equal 100%	American Indian/Alaskan Native		
	Asian		
	Black/African American		
	Native Hawaiian/Pacific Islander		
	Asian/Pacific Islander		
	Multi-race		
	Unknown		
	Other (specify):		
	TOTAL percentage of clients served:		
	Men who have sex with Men (MSM)		
	Intravenous Drug Use (IDU)		
	IDU/MSM		
	Non-IDU Drug Use		
Other (specify):			
Other (specify):			
TOTAL percentage of clients served:			

Type of Data: The data and information used to report the organization's <u>previous/past</u> experience is based on: (Select ONE)	<input type="checkbox"/> Combined data from all programs in the organization (Overall) <input type="checkbox"/> Data from a single program within the organization (Single Program) Program Name: Provide brief description of primary services provided:
-------------------------------------------------------------------------------------------------------------------------------------------	--------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

PURPOSE: The purpose of this worksheet is for the applicant to provide client-level data to support their HIV prevention experience serving the target population over the past 24 months.

Target Population(s)

What is the **Primary target population** that your organization has served for the past 24 months? Please list by ethnicity, race, targeted risk behavior, gender, age, and HIV status.

Description of Primary Target Population:

Examples: *Hispanic, Multi-race, MSM, 13-24, who are HIV-*

Ethnicity (Select all that apply)	Race (Select all that apply)	Age Group (Enter age group/range)	HIV Status
<input type="checkbox"/> Hispanic/Latino <input type="checkbox"/> Non-Hispanic/Latino <input type="checkbox"/> Not Applicable	<input type="checkbox"/> American Indian/Alaskan Native <input type="checkbox"/> Asian <input type="checkbox"/> Black/African American <input type="checkbox"/> Native Hawaiian/Pacific Islander <input type="checkbox"/> Asian/Pacific Islander <input type="checkbox"/> Multi-race <input type="checkbox"/> Unknown <input type="checkbox"/> Other (specify):		<input type="checkbox"/> Negative <input type="checkbox"/> Positive <input type="checkbox"/> Unknown

YMSM Risk Not Applicable <input type="checkbox"/>	YTG Target Population Not Applicable <input type="checkbox"/>	YTG Risk Not Applicable <input type="checkbox"/>
Select all that apply	Select all that apply	Select all that apply
<input type="checkbox"/> Men who have sex with men (MSM) <input type="checkbox"/> Injection Drug Use (IDU) <input type="checkbox"/> Drug Use (Non – IDU) <input type="checkbox"/> Sex in exchange for drugs, money or other items <input type="checkbox"/> Homeless <input type="checkbox"/> Other (specify):	<input type="checkbox"/> Transgender – Male to Female <input type="checkbox"/> Transgender – Female to Male <input type="checkbox"/> Transgender – Unspecified (All)	<input type="checkbox"/> Injection Drug Use (IDU) <input type="checkbox"/> Drug Use (Non – IDU) <input type="checkbox"/> Sex in exchange for drugs, money or other items <input type="checkbox"/> Homeless <input type="checkbox"/> Other (specify):

If applicable, what is the **secondary** target population(s) that your organization has served for the past 24 months? Please list by ethnicity, race, targeted risk behavior, gender, age, and HIV status. **Not applicable**

Ethnicity (Select all that apply)	Race (Select all that apply)	Age Group (Enter age group/range)	HIV Status
<input type="checkbox"/> Hispanic/Latino <input type="checkbox"/> Non-Hispanic/Latino <input type="checkbox"/> Not Applicable	<input type="checkbox"/> American Indian/Alaskan Native <input type="checkbox"/> Asian <input type="checkbox"/> Black/African American <input type="checkbox"/> Native Hawaiian/Pacific Islander <input type="checkbox"/> Asian/Pacific Islander <input type="checkbox"/> Multi-race <input type="checkbox"/> Unknown <input type="checkbox"/> Other (specify):		<input type="checkbox"/> Negative <input type="checkbox"/> Positive <input type="checkbox"/> Unknown

<input type="checkbox"/> Men who have sex with men (MSM) <input type="checkbox"/> Injection Drug Use (IDU) <input type="checkbox"/> Drug Use (Non – IDU) <input type="checkbox"/> Sex in exchange for drugs, money or other items <input type="checkbox"/> Homeless <input type="checkbox"/> Other (specify):	<input type="checkbox"/> Transgender – Male to Female <input type="checkbox"/> Transgender – Female to Male <input type="checkbox"/> Transgender – Unspecified (All)	<input type="checkbox"/> Injection Drug Use (IDU) <input type="checkbox"/> Drug Use (Non – IDU) <input type="checkbox"/> Sex in exchange for drugs, money or other items <input type="checkbox"/> Homeless <input type="checkbox"/> Other (specify):
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	----------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Past High Impact Prevention (HIP) Interventions and Activities:
 Select the **HIP interventions and/or services** (e.g., POL and HIV testing) that your organization has experience implementing.

High Impact Prevention Interventions (Check all that apply):

<input type="checkbox"/> ARTAS <input type="checkbox"/> CLEAR <input type="checkbox"/> CONNECT <input type="checkbox"/> d-Up! <input type="checkbox"/> Every Dose Every Day	<input type="checkbox"/> HEART <input type="checkbox"/> Healthy Relationships <input type="checkbox"/> MPowerment <input type="checkbox"/> Partnership for Health (Medication Adherence) <input type="checkbox"/> Partnership for Health (Safer Sex)	<input type="checkbox"/> Peer Support <input type="checkbox"/> Project START <input type="checkbox"/> PROMISE <input type="checkbox"/> SMART Couples
-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	---------------------------------------------------------------------------------------------------------------------------------------------------------------

If your organization has prior experience with conducting HIV testing, please complete all of the following questions:

N/A; my organization does not have prior experience with conducting HIV testing.

<p>1. What type of HIV testing does your organization have experience providing (Check all that apply)?</p> <input type="checkbox"/> Conventional (blood) <input type="checkbox"/> Rapid
<p>2. How long has your organization conducted HIV testing?</p>
<p>3. What is your organization's <u>newly</u> diagnosed combined (for primary and secondary target populations) HIV positivity rate for the past 24 months?</p> <p><i>Example of positivity Rate Calculation: If 900 OraQuick rapid tests were conducted, and 11 tests were newly-diagnosed clients testing positive, then the positivity rate would equal 1.2% ($11/900 = 0.012 \times 100 = 1.2\%$).</i></p>

Instructions: Please provide the ACTUAL NUMBER of clients the organization has served for the **past 24 months**. Complete the data tables below illustrating the organization’s previous experience with the specific target population for that time period, broken out by ethnicity, race, age group, HIV status, and risk. **Please list the top 5 target populations your organization served, if applicable.**

NOTE: Do NOT use PERCENTAGES when providing your client level data. Please only use whole numbers.

Within each row, **check only one box within each column subheading** to identify one complete target population (e.g., Non-Hispanic, Black/African American, IDU/Heterosexual, Female, 35-44 years, HIV-negative), unless otherwise indicated. Additionally, in the final column of the row, type in the total number of clients within **this population** served within the **past 24 months**. Please refer to the example below.

Example: 25 Non-Hispanic, African American Males, MSM/IDU of unknown HIV serostatus, between the ages of 18-24.
