

HIV Social Media Resources

Ensure you are getting the latest information about HIV prevention and treatment.

Connect with CDC on social media

- Access new CDC reports and statistics on HIV in the United States.
- Share infographics to educate your audiences about HIV.
- Get *Act Against AIDS* videos, web banners, and other resources to help you raise awareness about HIV prevention, testing, and treatment.
- Learn about HIV awareness days and how you can participate.
- Interact with us and tell us what you're doing to prevent HIV.
