

Project FIRST

For the mother of the baby in your household.

If you are not the mother of the baby in your household, please have her fill out this questionnaire.

Dear Project FIRST Panel Member:

Thank you for being a part of Project FIRST! As you may recall, Project FIRST, the **Feeding Infants Research Study**, is being conducted by the U.S. Food and Drug Administration (FDA). I just received a letter from the FDA letting me know how grateful they are for the Project FIRST respondent's help with this very important study. I have enclosed the letter so you can see how much the FDA appreciates your help.

I have also enclosed the next questionnaire. You may notice that some of the questions were asked on previous questionnaires. This is because it is very important for the FDA to get information about babies at each month, whether the information changes or not.

I look forward to receiving your completed questionnaire so I can send you a gift! Please return the questionnaire in the enclosed envelope.

Cordially,

Marie Brighton
