SPECIFIC OBJECTIVES FOR THIS WEBINAR:
This webinar will present resources for preventing infections in the dialysis setting and highlight the following:
- Burden and preventability of bloodstream infections in outpatient hemodialysis
- Core interventions for bloodstream infection prevention in the dialysis setting
- Value of auditing in dialysis facilities using CDC tools & resources
- Benefits of becoming a member of the Making Dialysis Safer for Patients Coalition

OBJECTIVES:
- Describe infection control techniques that reduce the risk and spread of healthcare-associated infections (HAI).
- Identify unsafe practices that place patients at risk for HAI.
- Describe best practices for infection control and prevention in daily practice in healthcare settings.
- Apply standards, guidelines, best practices, and established processes related to safe and effective medication use.

Origination Date: December 21, 2017
Expiration Date: March 27, 2022

ACCREDITATION STATEMENTS:

CME: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Continuing Medical Education (ACCME®) to provide continuing medical education for physicians.

The Centers for Disease Control and Prevention designates this live activity for a maximum of (1.0) AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

CNE: The Centers for Disease Control and Prevention is accredited as a provider of Continuing Nursing Education by the American Nurses Credentialing Center's Commission on Accreditation.

This activity provides (1.0) contact hours.

CEU: The Centers for Disease Control and Prevention is authorized by IACET to offer (0.1) CEU's for this program.

CECH: Sponsored by the Centers for Disease Control and Prevention, a designated provider of continuing education contact hours (CECH) in health education by the National Commission for Health Education Credentialing, Inc. This program is designated for Certified Health Education Specialists (CHES) and/or Master Certified Health Education Specialists (MCHES) to receive up to (1) total Category I continuing education contact hours. Maximum advanced level continuing education contact hours available are 0. CDC provider number 98614.

CPE: The Centers for Disease Control and Prevention is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

This program is a designated event for pharmacists to receive (0.1) CEUs in pharmacy education. The Joint Accreditation Universal Activity Number is JA4008229-0000-20-076-H05-P.

Category: This activity has been designated as Knowledge-Based.

4.7.2015
Once credit is claimed, an unofficial statement of credit is immediately available on TCEOnline. Official credit will be uploaded within 60 days on the NABP/CPE Monitor.

**For Certified Public Health Professionals (CPH)**

The Centers for Disease Control and Prevention is a pre-approved provider of Certified in Public Health (CPH) recertification credits and is authorized to offer (1) CPH recertification credits for this program.

CDC is an approved provider of CPH Recertification Credits by the National Board of Public Health Examiners. Effective October 1, 2013, the National Board of Public Health Examiners (NBPHE) accepts continuing education units (CEU) for CPH recertification credits from CDC. Please select CEU as your choice for continuing education when registering for a course on TCEOnline. Learners seeking CPH should use the guidelines provided by the NBPHE for calculating recertification credits. For assistance please contact NBPHE at [http://www.NBPHE.org](http://www.NBPHE.org).

**DISCLOSURE:** In compliance with continuing education requirements, all presenters must disclose any financial or other associations with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters as well as any use of unlabeled product(s) or product(s) under investigational use.

CDC, our planners, our presenters, and their spouses/partners wish to disclose they have no financial interests or other relationships with the manufacturers of commercial products, suppliers of commercial services, or commercial supporters. Planners have reviewed content to ensure there is no bias.

Content will not include any discussion of the unlabeled use of a product or a product under investigational use with the exception of Priti Patel and Nicole Guarandi’s discussion of chlorhexidine with alcohol and antimicrobial ointment products. There will discussion on the use of chlorhexidine with alcohol and antimicrobial ointment at the catheter exit site for prevention of bloodstream infections. Both of these are CDC recommendations.

_CDC did not accept commercial support for this continuing education activity._

**Instructions for Obtaining Continuing Education (CE)**

In order to receive continuing education (CE) for [WD2720- Making Dialysis Safer for Patients: Tools to Prevent Infections in Hemodialysis please visit TCEO](http://www.cdc.gov/tceonline) and follow these [9 Simple Steps](http://www.cdc.gov/tceonline) before December 21, 2019
Complete the activity
Complete the Evaluation at www.cdc.gov/GetCE
Pass the posttest at 80% at www.cdc.gov/GetCE

FEES: There are no fees for CE.
