

**ZIKA VIRUS
IMPLICATIONS FOR PREGNANT WOMEN
WCWD2783**

JULY 28, 2016

PROGRAM DESCRIPTION: This course will increase healthcare provider knowledge regarding Zika Virus transmission and implications, as well as provide recommendations for diagnostic testing of potentially exposed pregnant women and couples interested in conceiving.

OBJECTIVES:

At the conclusion of the session, the participant will be able to:

- List the ways pregnant women become infected with the Zika Virus.
- Describe CDC Recommendations for testing of pregnant women with possible exposure.
- Describe CDC Recommendations for testing of couples interested in conceiving who reside in an active Zika Virus transmission area.
- Describe the implications of Zika Virus infection.
- Identify the cases that meet criteria for inclusion in the U.S. Zika Pregnancy Registry.
