The sixteenth meeting of the National Center for Injury Prevention and Control (NCIPC) Board of Scientific Counselors (BSC) took place on Wednesday, July 15, 2015. The BSC met in closed session for secondary review, in accordance with the Privacy Act and the Federal Advisory Committee Act (FACA), on Thursday, July 16, 2015. Dr. Arlene Greenspan served as chair.

**Thursday, July 16, 2015: CLOSED TO THE PUBLIC**

This meeting was closed to the public in accordance with the determination that it was concerned with matters exempt from mandatory disclosure under Sections 552b(c)(4) and 552b(c)(6), title 5, U.S. Code and Section 10(d) of the Federal Advisory committee Act, as amended (5 U.S.C. Appendix 2). The Scientific Review Officer explained policies and procedures regarding avoidance of conflict of interest situations; voting and priority rating; and confidentiality of application materials, committee discussions, and recommendations. Committee members absented themselves from the meeting during discussion of, and voting on, applications from their own institutions, or other applications in which there was a potential conflict of interest, real or apparent. Upon establishing a quorum, a secondary review was conducted for the following NCIPC Notice of Funding Opportunity Announcement (NOFO):
