FY 2020 DFC Grant Application Workshop

White House Office of National Drug Control Policy (ONDCP)
in collaboration with the
Centers for Disease Control and Prevention (CDC)
• ONDCP is now partnering with CDC
• CDC’s National Center for Injury Prevention and Control (NCIPC) will serve as the day-to-day administrator of DFC and CARA grant programs
• NCIPC currently funds drug overdose prevention programs in all 50 states, Washington DC, and four territories
DFC Program Overview
Goals of the DFC Program

• To establish and strengthen collaboration among communities, nonprofit agencies, and Federal, state, local and tribal governments to support the efforts of community coalitions to prevent and reduce substance use among youth

• To reduce substance use among youth and, over time, reduce substance abuse among adults by addressing the factors in a community that increase the risk of substance abuse and promoting the factors that minimize the risk of substance abuse
Theory of the DFC Program

• A small amount of **federal funding combined with a local match** of resources and volunteer support can reduce youth drug use

• By **mobilizing community leaders** to identify and respond to the drug problems unique to their community, DFC is designed to change local community environmental conditions tied to substance abuse to the **entire community environment**

• Focusing on **environmental change** ultimately contributes to reductions in substance use among youth, and over time, substance abuse among adults
DFC is *Community* Focused

DFC-funded coalitions:

- develop and implement a 12-Month Action Plan that is **community-focused**; not focused on individual-level interventions

- focus on effecting **community-level change** by identifying and implementing strategies that will affect community beliefs, attitudes, perceptions, and practices around drug issues
What is a DFC Coalition?

A community-based formal arrangement for cooperation and collaboration among groups or sectors of a community in which each group retains its identity, but all agree to work together toward a common goal of building a safe, healthy, and drug-free community.

DFC grants are intended to support community-based coalitions.
Community of Focus

• Do not define a community that is too large for your coalition to address

• Pay attention to natural delineations within the community
  – School districts
  – Demographics
  – Geographic boundaries
Community-Level Change

• DFC applicants are expected to choose comprehensive strategies that will lead to community-level change.

• Community-level change strategies seek to:
  – Limit access to drugs
  – Change the culture and context
  – Shift the consequences

• Use the Seven Strategies for Community Change – *More information in the DFC NOFO*
Who Can Apply?

To apply for a DFC grant, a coalition must fall into one of the following three categories:

• A coalition that has never received a DFC grant;

• Previously funded coalitions applying to complete their five-year funding cycle after a lapse in funding; or

• A coalition that is ending or has concluded the first five-year funding cycle and is applying for a second five-year funding cycle (Years 6 through 10).

Attachment 3, Eligibility

Applicants must complete either the Statement of Legal Eligibility or Memorandum of Understanding between Grant Award Recipient and Coalition template below and submit one document to satisfy this eligibility requirement. To determine if you are required to submit a Statement of Legal Eligibility or Memorandum of Understanding between Grant Award Recipient and Coalition, an applicant should answer the two questions identified below:

1. Is the coalition serving as its own legal grant award recipient?  
   Yes ☐  No ☐

2. Is the coalition’s name listed in Item #8 on the SF-424 of this application?  
   Yes ☐  No ☐

If the answer to any of these questions is “no,” then the coalition must enter into a relationship with an entity eligible to receive federal funds and submit a Memorandum of Understanding between Grant Award Recipient and Coalition.

If the answer to both questions is “yes,” then the coalition is applying for this grant on its own behalf (as the Legal Applicant eligible to receive federal funding). The applicant coalition must sign and date the Statement of Legal Eligibility.

Either the Memorandum of Understanding between Grant Award Recipient and Coalition OR the Statement of Legal Eligibility should be named “Attachment 3 – Eligibility” and uploaded to www.grants.gov.

NOTE: Although your coalition may exist within another organization that is eligible to receive federal funding, a Memorandum of Understanding (MOU) will be required. If the coalition’s name does not appear on Item #8 of the submitted SF-424 with the corresponding Employer/Taxpayer Identification Number (EIN/TIN), then a MOU must be submitted as part of the coalition’s application. Not doing so, will deem the application statutorily ineligible and will not move forward to merit review.
Attachment 3: Eligibility NOFO - Assurance of Legal Eligibility

• **Scenario 1:**
  – The **coalition is its own 501(c) 3** and is legally eligible to apply for a DFC grant on its own
  
  – Using **Attachment 3**, answer the questions, if ‘yes’ to both questions, sign the form
  
  – Name the file “**Attachment 3 – Eligibility**” and upload to **www.Grants.gov**
• **Scenario 2:**
  – Coalition is *partnering with an outside organization* to serve as the *legal applicant* on its behalf
  
  OR
  
  – Coalition exists *within another organization* that is eligible to receive federal funding

• May use the sample for the Memorandum of Understanding (MOU) between the legal applicant agency and the coalition

• **Must** have *two signatures*: one from the legal applicant agency and one from coalition
If the answer for **BOTH** questions is ‘Yes’. The applicant coalition must sign and date the **Statement of Legal Eligibility**.

If the answer to **any** one of these questions is ‘No’. An **MOU** is required.
Tips for Legally Eligible Entity

- Coalitions with **501(c)3** status can apply on their own, but are not required to do so.
- Choose your outside legal applicant organization **wisely**.
- Develop a **strong MOU**.
- MOU **must be dated** between January 2019 and April 3, 2020.
- Example provided is a **template** and can be tailored to meet the needs of the coalition and the legal applicant agency.

- Do not make up your own questions

- Do not mix NOFO questions (e.g., some from one year and some from another)
