CDC Lipid Standardization Programs (CDC LSP)-List of Certified Participants

Date Updated: April 2020

Quarters Listed: Q1 2019

The following clinical and research laboratories have documented traceability to the CDC Lipids Reference Laboratory by meeting performance criteria used by the LSP for total cholesterol (TC), total glycerides (TG) and/or HDL-cholesterol (HDLC). The following list includes the laboratory name, location of the laboratory, analyte, name of the instrument manufacturer and certification date of the laboratories that met LSP criteria.
