

How do you add CDC as a provider?

1. Go to CDC TRAIN (<http://cdc.train.org>)
2. Login to TRAIN
3. In the upper-right corner, click on “My Account”
4. When your account information loads up, click on the “Groups” tab along the top
5. In the list of available groups shown, next to “CDC Portal” click on “Select Groups”
6. Next, a popup window will appear with a dropdown menu.
7. In that dropdown menu, select “Laboratory Training”
8. At the bottom of the window, click on “Save and Back”
9. You will now be able to see all of the courses that the CDC Laboratory Training group has to offer.
10. You will also be notified whenever new courses are posted by the CDC Laboratory Training group on TRAIN.
