This webinar will provide an overview of the morphological identification and differentiation of cyst and trophozoite forms of the non-pathogenic or unknown pathogenicity protozoa of the human intestinal tract. Parasites discussed will include *Iodamoeba bütschlii*, *Endolimax nana*, *Blastocystis* species, *Dientamoeba fragilis*, *Chilomastix mesnili*, *Pentatrichomonas hominis* and *Retortamonas intestinalis*.
FREE WEBINAR
REGISTRATION DEADLINE IS NOV. 29, 2017

- Locate the course online under Live Webinars at www.cdc.gov/labtraining
- Follow the link to register for the course in TRAIN.
- Once you have registered, you will receive a detailed confirmation letter by email.
- This webinar will be archived on TRAIN approximately 3 weeks after each live event.
- If you have difficulty with the online registration process, please email labtraining@cdc.gov.

Objectives
At the conclusion of this program, the participant will be able to:
- Identify the commensal protozoa species of the human intestinal tract
- Differentiate the trophozoites of commensal protozoa species of the human intestinal tract
- Differentiate the cysts commensal protozoa species of the human intestinal tract

Target Audience
This basic-level webinar is intended for laboratory professionals.

CEUs
The Centers for Disease Control and Prevention, Division of Laboratory Systems, Laboratory Training and Services Branch, is approved as a provider of continuing education programs in the clinical laboratory sciences by the ASCLS P.A.C.E.® Program.

This webinar is approved for 1.0 hour of P.A.C.E.® credit, and has been approved for 1.0 contact hours in the General (Microbiology/ Mycology/ Parasitology) category for Florida Laboratory Licensees.

P.A.C.E.® Course#: 288-021-17  Florida Course#: 20-597403

Access Requirements
In order to participate in this webinar, you will need a computer with internet access and speakers or headphones to hear the audio. To test your system, visit https://admin.acrobat.com/common/help/en/support/meeting_test.htm

Special Needs
Course content is closed captioned where applicable and optimized for a screen reader.

Sponsored by the National Laboratory Training Network (NLTN).
The National Laboratory Training Network is a training system sponsored by the Association of Public Health Laboratories (APHL) and the Centers for Disease Control and Prevention (CDC).
